PRACTICE AREAS

Alternate Dispute Resolution
Aviation Law and Litigation
Construction Law and Litigation
Design Professional Representation
Premises Liability
Product Liability
Professional Liability
Transportation, Trucking, and Highway Liability

WILLIAM L. KIRIAZIS represents design professionals including architects, engineers and land surveyors in all aspects of their work from contract preparation to problem solving to litigation. He also represents owners, contractors and vendors in construction related matters.

In addition to construction law, Bill also has expertise in aviation litigation. He has been involved in a number of major air crash lawsuits including Northwest Flight 255 and Comair Flight 3272. He has experience in handling mass tort claims, complex lawsuits and federal court multi-district litigation.

Bill has handled a wide range of cases for a diverse group of clients from individuals to large multi-national corporations. He has tried many cases in the Michigan courts and the United States District courts. He is also an active participant in Alternative Dispute Resolution and serves as a mediator and arbitrator. In addition to handling a full trial docket, Bill is currently a co-Managing Shareholder of the firm.
